Subject - Proposals of the Sagar Town Municipal Council for the purchase of two country double bullock carts and two pairs of bullocks for ~~the purpose of~~ removing the street rubbish of the town

In forwarding herewith in riginal letter o 103/42-43 dated 6th April 1943 received from the President Town Municipal Council, Saga on the subject noted above I have the honour to state that it is reported by the President of the municipality that at present the street rubbish of the town is being got removed by ~~the~~ two carts viz ~~the~~ one Municipal pneumatic rubber tyred cart drawn by a single bullock and ~~the~~ another ~~being~~ a double bullock cart hired on a monthly hire of Rs 40/- per mensem

The Municipal President states that the pneumatic rubber tyred cart has been damaged and that it has been found difficult to get new rubber tyres in the existing war conditions As for the other, ie , the double bullock cart entertained on hire basis, he states that it is not of the required standard and the ~~removing of the town~~ sweeping work of the town cannot be got done satisfactorily He adds that it is not possible to secure good bullocks of required standard for hire in the malnad parts

Considering the difficulties that are now being felt for the removal of the town rubbish and street sweepings the Municipal Council passed a resolution at its meeting held on 20-9-42 to the effect that two pairs of bullocks and two country carts at a cost not exceeding Rs 600/- be purchased for the said purpose, the expenditure
